Rules of Engagement

NECCDC 2024 RoE - Blue Team

- **Always** stay connected to Wireguard VPN
- Don't modify physical switch: changing setting, which ports are used.
- Your team environment is within **10.X.0.0/16** range (**X** is number your team is assigned)
- Each system has a “*black-team*” user/role. **Do NOT remove, restrict access, or expire their accounts** as they are used for scoring & out-of-scope
- **Accommodations:** please request any needed accommodations well in advance via blackteam@neccdl.org with relevant pictures, e.g., if equipment will be brought
- If requesting peripheral devices to be able to be used, please contact blackteam@neccdl.org

NECCDC 2024 RoE - Red Team

- Out-of-Scope
 - Network switch & college networking
 - Environmental ground truth (dam, water, energy systems)
 - “Intelligent Electronic Device (IED)” in room
 - Manipulation of data on clients
 - Specific Team Accounts: Google Classroom & Discord
- Attacks
 - Data exfiltration of Blue Team laptops allowed
 - All attacks must go through VPN or originate from dedicated EC2 instance

CRITICAL CONTROLS: PROTECTING OUR INFRASTRUCTURE

NECCDC 2024

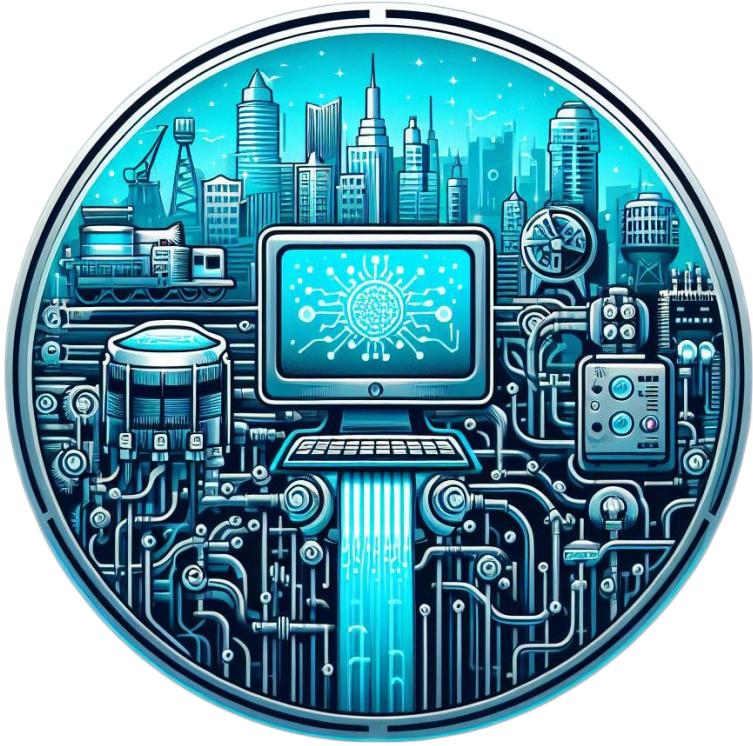

Connectivity & Configuration

NECCDC 2024 Competition Access

- Client laptops will all connect to infrastructure over full tunnel VPN
 - VPN must not be disabled even when not accessing networked infrastructure
- WireGuard will be used again in Regionals
 - Each team will be given client certificates
- Credentials will be released as soon as competition begins
 - Different from Qualifier

NECCDC 2024 Blue Team Laptop Configuration

- Ubuntu Desktop 22.04
- Software Pre-installed
 - Laptops will come pre-installed with Wireguard & common utilities, e.g., SSH, web browsers, various CLI tools.
- Issues to be aware of:
 - Some laptops may experience battery issues, leading to sudden shutdowns, if unplugged (aim to identify & notify teams of any affected laptops beforehand)
 - Please notify Black Team if other issues occur that impact your ability to participate
- Use of Personal Credentials
 - For your security, do **NOT** use personal credentials on competition laptops. For any software / services requiring sign-up, please use Gmail account associated with your NECCDC-provided blue team Google Classroom account (ensure compliance with National CCDC software rule(s))
